

# NATURAL CITRUS DEGREASER

## GENERAL INFORMATION

A 100% active, organic formulation of Emulsified Citrus Terpene which is biodegradable and contains no petroleum distillates. It can be used as a cold parts cleaner, deodorizer, degreaser and drain declogger. It leaves a clean, fresh citrus scent after use.

## DILUTIONS

**DEODORIZER:** Add 4 oz. to a gallon of water. to control odors around garbage disposal areas, septic tanks, kennels, etc. Can be applied by drip method or fogging around sewage treatment plants.

**DECLOGGING DRAINS:** Use weekly to keep drains free flowing and sanitary. Pour 8 oz. down drain. Let stand for 10 minutes, flush drain with hot water. If drain remains slow, repeat previous steps every 2 to 3 days.

**DEGREASING:** For general cleaning and degreasing, use 4 oz. to a gallon of water. Let stand several minutes and then rinse thoroughly. Use dilution may vary with severity of soil and grease.

## SPECIFICATIONS

Type. . . . .	Terpene
Color. . . . .	Orange
Physical State. . . . .	Liquid
Odor. . . . .	Orange/Citrus
Specific Gravity. . . . .	0.864
Solubility (in water). . . . .	Complete
Flammability (Flash Point). . . . .	140°F - 60°C
pH. . . . .	7
