ECONOMY WHITE BOWL CLEANER

GENERAL INFORMATION

Concentrated to clean, de-scale, and deodorize toilet bowls, and urinals quickly and thoroughly with minimum effort.

ECONOMICALLY PRICED FOR BIDS

DIRECTIONS

TO CLEAN AND DEODORIZE TOILET BOWLS: Remove water from bowl with swab forcing water over the trap. Squeeze water from swab against bowl. Hold bottle over bowl and saturate swab with bowl cleaner. Swab bowl thoroughly, especially under the rim of water outlet, taking care to clean. Flush toilet and rinse swab. To deodorize after cleaning and flushing bowl, pour 2 to 4 oz. cleaner into water still in bowl. Swab entire bowl, seat cover, rinse well, then flush.
