# PINE CLEANER

## GENERAL INFORMATION

This highly concentrated pine cleaner is a powerful pleasant cleaner prepared from all natural products. This cleaner mixes with water to form a clear, stable solution, and is recommended for use in apartment buildings, factories, schools, households, industrial plants, and other areas where a natural, safe cleaner leaves behind a pleasant pine fragrance.

## DIRECTIONS

Depending on the soil level of the area to be cleaned, use 3 to 12 oz. of cleaner per gallon of water. Apply the solution with a clean mop, sponge cloth, squeegee, or mechanical scrubber.

## SPECIFICATIONS

Type. . . . .	Synthetic Detergent
Color. . . . .	Golden Brown
Physical State. . . . .	Liquid
Odor. . . . .	Pine Fragrance
Specific Gravity. . . . .	1.01
Solubility (in water). . . . .	Complete
